Subject: Microsoft Settlement

To whom it may concern,

I am writing to urge that you reject the proposed settlement in the Microsoft anti-trust case. I cannot fathom a legitimate reason why the Department of Justice, having won a decision that Microsoft was in violation of the anti-trust laws, felt compelled to offer its unconditional surrender. The settlement will not only allow Microsoft to continue its abusive practices, it will offer them the legitimacy of doing so under a consent agreement that does not force them to change their ways.

Please reject this settlement!
